

# ESTS ANNUAL CONFERENCE LJUBLJANA, SLOVENIA, 28-30 MAY 2018

## 1st ESTS THORACIC SURGICAL TRAINEE SYMPOSIUM

### Overview

Over the recent years there has been an increasing demand in order to provide an International platform for trainees in Thoracic Surgery.

Such initiative will have several advantages:

1. offer exchange of experiences
2. Promote available fellowships and/or explore unmet needs for training
3. Allow presence and active interaction and participation in Annual conferences
4. Facilitate an harmonized pathway for training

### Program Overview:

1. Welcome and registrations
2. Brief welcome by the President of ESTS
3. Introduction of objectives of the group by Anna Frick MD and Olivia Lauk MD
4. Set the scene for future activities
5. Establish the platform for attracting new members
6. Close of program and dates future meetings

Dear colleagues

ESTS wishes to introduce an official trainee forum.

Such group should be consisted by trainees with the assistance and mentorship of ESTS leadership.

We consider the voices of our Junior force important and through such initiative we will encourage active participation in our educational events and annual conference.

Please express your interest to contribute to such a wonderful and energetic group by contacting Dr. Anna Frick or Dr. Olivia Lauk
